

General Laborer – Little Chute, WI

Lee's Contracting/Fabricating, Inc. is seeking a General Laborer for immediate hire. This role is an entry-level position that offers an opportunity to learn about various aspects of the welding/fabricating industry – from operating and maintaining various fabricating machinery to preparing finished products for delivery and install. Once you've learned the ropes, the potential for advancement exists and is encouraged!

Lee's employees are the key to our precision craftsmanship, superior service, and exceptional results.

Be one of them. Come grow with us!

What we offer:

- Health Insurance with 100% of premiums paid for you and your family
- Profit sharing 401k plan
- Career advancement opportunities
- Vacation
- Pay: Hourly based on experience
- Schedule: 1st shift, Monday – Friday, 40 to 50 hours per week

What you will be responsible for:

- Assisting with shipping/receiving duties
 - o Loading and unloading trucks using forklift
 - o Verifying material lists
 - o Storing materials in proper locations
- Cleaning, deburring, polishing and passivating finished materials
- Operating light to medium machinery
- Maintaining equipment by completing preventive maintenance requirements
- Cleaning and sweeping of work area, tools and equipment
- Emptying trash and waste as needed

What qualifications we are looking for:

- Ability to lift 50+ pounds routinely
- Valid driver's license
- Self-starting attitude with eagerness to learn new skills

What we know:

Our employees are the face of Lee's Contracting/Fabricating, Inc. and the key to our success; we only recruit the best. Dependability, strong work ethic, quality craftsmanship, friendly and professional service is a must. For the talents in our business, we offer great benefits and advancement opportunities. If you believe you possess the traits and skills we're looking for, let's talk!
